##For American Express Cards: 3.5%, out of which 1.5% will be retained by American Express.

4. Interest Charges:

1) Interest will be charged if the Total Amount Due is not paid by the payment due date. Interest will be charged on the Total Amount Due and on all new transactions (from the transaction date) till such time as the previous outstanding amounts are paid in full. Also, interest will be levied on all cash advances from the date of the transaction until the date of payment.

2) The rate of interest may be changed at the sole discretion of ICICI Bank. It can be as low as 1.25% per month (15% per annum) depending on factors such as, but not limited to, credit history, purchase patterns, payment behaviour, loyalty and month-on-book.

3) In case of default, interest charges may increase up to a maximum of 3.50% per month (42% per annum).

The following illustration will indicate the method of calculating interest charges:

In the table given below, it has been assumed that the Total Amount Due of the previous month statement has been paid by the payment due date and there is no outstanding amount. The statement date is 15th of every month. Given these assumptions, interest will be calculated as below:

Transaction	₹
Purchase on April 10, 2009	2,000
Total Amount Due on statement dated April 15, 2009	2,000
Minimum Amount Due on statement dated April 15, 2009	100
Payment due date - May 3, 2009	
Purchase on May 7, 2009	800
Payment on May 10, 2009	1,500
On statement dated May 15, 2009, following interest charges will be levied:	
Interest calculations @ 40.80% per annum for Gold Card	

a)Interest on ₹ 2000 for 30 days (from April 10 to May 9)	67.07
b)Interest on ₹ 500 for 6 days (from May 10 to May 15)	3.35
c)Interest on ₹ 800 for 9 days (from May 7 to May 15)	8.05
Total interest charged in the statement dated 15th May	78.47

Service tax will be applicable on interest charges.

5. Late Payment Charges (LPC):

Late payment charges will be applicable if the Minimum Amount Due is not paid by the payment due date.

Illustrative Example for Calculation of Late Payment Charges:

Payment of at least Minimum Amount Due i.e. ₹ 100 in the above example, is required to be paid by the payment due date (3rd May), to ensure that no late payment charges are levied. If minimum amount due is not paid, late payment charges would be levied as per the below table:

Total Amount Due	Late Payment Charges
Less than ₹ 100	None
Between ₹ 100 - ₹ 500	₹ 100
Between ₹ 500 - ₹ 10,000	₹ 500
Between ₹ 10,000 - ₹ 20,000	₹ 600
More than ₹ 20,000	₹ 700

Thus, in the above example, since the minimum amount due of ₹ 100 is not paid by the payment due date of May 3, 2009 and since Total Amount Due was ₹ 2000, late payment charges of ₹ 500 will be levied on 4th May, 2009. This charge will also be applicable if you make a payment of less than the minimum amount due by the payment due date.

Service tax will be applicable on late payment charges.

6. Interest- Free (Grace) Period:

The grace period could range from 18 to 48 days.

Illustrative Example for the calculation of grace period: For a statement for the period from April 15,2009 to May 15,2009 the payment due date would be June 2, 2009. Assuming that you have paid your Total Amount Due of the previous month statement by the payment due date, the grace period would be:

1. For a purchase dated April 24, 2009, the interest-free grace period is from April 24, 2009 to June 2, 2009, i.e. 40 days.
2. For a purchase dated May 14, 2009, the interest-free grace period is from May 14, 2009 to June 2, 2009, i.e. 20 days.

Thus, the grace period can vary depending upon the date of purchase. However, if the Total Amount Due is not paid by the payment due date, then there will be no interest-free period. For cash advances, interest is charged from the date of the transaction until the date of payment.

(b) Withdrawal Limits: The Credit Limit and Cash Withdrawal Limit are communicated at the time of delivery of the Card and are also indicated in the monthly statements. Available credit limit is calculated by deducting the utilised limit from the Total Credit Limit. In case the Card Member has availed of any loan within the credit limit on the

card, the outstanding loan amount will also be deducted from the Total Credit Limit to arrive at the Available Credit limit.

Cash limit will be a sub-set of credit limit and will be NIL for the first one hundred and eighty (180) days from the date of issuance of the Card, on select Cards as may be specified by ICICI Bank. After the expiry of the first 180 days period from the date of issuance of the Card, the cash limit will be made available to the Card Member by ICICI Bank at its sole discretion and on such terms as may be communicated by ICICI Bank from time-to-time.

The Card Member shall be entitled to apply for a review / enhancement / reduction of the credit limit and/or cash limit if provided by ICICI Bank, upon completion of 12 months of his membership. Alterations upon such review, if any, of the credit limit and/or cash limit will be at the sole discretion of ICICI Bank. ICICI Bank shall at its sole discretion be entitled to review (including enhancement or reduction) the credit limit and/or the cash limit assigned on the Card at any time and only enhancements, if any, to the credit limit and/or the cash limit, shall be effected by ICICI Bank along with the consent of the Card Member.

(c) Billing:

1) Billing Statements – periodicity and mode of sending: All Card Member will be billed on a monthly basis for all charges incurred by the use of the Card and for all charges applicable to the card account. However, there may be no statement generated for the period in which there has been no outstanding due and no transaction on the account in the past month. The billing statement will be dispatched on a monthly basis to customers at the mailing address as per our records by post and/or by e-mail.

2) Minimum Amount Payable: Without prejudice to the liability of the Card Member to immediately pay all charges incurred, the Card Member may exercise the option to pay only the Minimum Amount Due (MAD) indicated in the statement by the due date. The Minimum Amount Due shall be 5% of the outstanding amount or such other amount as may be determined by ICICI Bank at its sole discretion. In case of any repayment through installments, the installment amount due during the statement period will be added to the Minimum Amount Due. If the total outstanding is more than the credit or cash limit, then the amount by which the credit or cash limit has been exceeded will also be included in the Minimum Amount Due. Minimum Amount Due shall also include unpaid Minimum Amount Due of the previous statements, if any. **Interest will be charged if the Total Amount Due is not paid by the payment due date even if the Minimum Amount Due has been paid.**

If you spend ₹ 5,000 and pay back exactly the Minimum Amount Due (subject to a minimum payment of ₹ 100) every month, it will take you up to 6 years and 6 months to pay back the total amount. We therefore suggest that whenever your cash flows allow, pay back an amount substantially more than your Minimum Amount Due.

No merchant refund/cashback/credit due to transactions converted to EMI / cancelled transactions / reversals / promotional cashback will be considered as a payment towards the outstanding of the card.

In case card member makes an excess payment compared to the outstanding of the card, there will be credit balance in the card account. This will be adjusted against the subsequent transactions on the card. However no interest can be claimed on this excess credit amount.

3) Method of payment: Payments towards the Card Account may be made in any of the following ways:

Cash: The Card Member may deposit cash at any of the branches of ICICI Bank towards the Card payment. Such payments at branches would attract a fee of ₹ 100 per payment transaction.

Cheque/Draft: Make a cheque or draft favouring ICICI Bank Credit Card No. XXXX XXXX XXXX and drop it into the collection box at any ICICI Bank branch / Skypak drop boxes / ATM locations where drop boxes are available

Internet: If the Card Member holds a Savings Account with ICICI Bank he or she may pay online through the ICICI Bank's website. Just log on to www.icicibank.com.

Auto-Debit: If the Card Member holds a Savings Account with ICICI Bank, he/she may pay directly through the Savings Account by giving an instruction in writing to debit the payment from such account every month on the payment due date. In case the payment due date falls on a Sunday, the amount would be debited from such account on the next day.

Click to Pay/NEFT: Pay your ICICI Bank Credit Card dues from any of your other bank Savings Accounts using Click To Pay/NEFT.

4) Billing Disputes Resolution: In the event the Card Member disagrees with the charges indicated in the statement, it should be communicated in writing to the correspondence address of ICICI Bank within 60 (sixty) days of receipt of the statement, failing which it would be construed that all charges indicated in the statement are in order.
